

ASV73 Four Wire Colour Video Entry System

The ASV73 Genway Four-wire Video Entry System has a 3.5" colour flat screen monitor with buttons for speech and lock release.

The kit also includes a robust compact door station for the outside and a power transformer with connections. The modern appearance makes the kit ideal for one-way entry which compliments any interior. The robust door station also has a protective weather cover and a waterproof sheet on the back for mounting on an exposed wall.
